INTRODUCTION

**Dear Valued Customers,
Thank you for interested in Hoang Gia PS !**

Hoang Gia Packaging Solutions Joint Stock Company (Hoang Gia PS) is a leading enterprise in Vietnam in the field of manufacturing and exporting high quality thin film packaging such as PE stretch films, Plastic bags...

Formerly a Global packaging company established in 2009, providing products about adhesive tapes and labels. The company officially changed its name to Hoang Gia Packaging Solutions Joint Stock Company in August 2015 with the goal of becoming a company providing packaging solutions for businesses. In particular, development focuses on manufacturing plastic packaging for domestic and export markets.

Currently, Hoang Gia domestic market is a supplier of packaging materials for more than 1200 businesses including Panasonic, Canon, Yamaha, Nissan, Honda, Samsung, LG, Amphenol ...

With nearly 15 years of experience, along with a team of good engineers and applying modern technology to take full advantage of the outstanding advantages of new science and technology in production,

Hoang Gia PS has created quality products. High capacity, large capacity, qualified to export to America, Europe, Japan, Korea...

Along with the traditional production of thin film packaging, in recent years Hoang Gia PS has expanded in the direction of product diversification, research and development of products using biodegradable materials that are completely friendly to the environment such as packaging (bags), knives, spoons, straws, gloves... to meet the trend of green consumption in Vietnam and the world.
